

MONSEY DANCE ACADEMY

Information Packet

Tuition Policies

- Registration is for the complete Season.
- Tuition for each Season will be charged to your card on file on a monthly basis, depending on the number of class sessions in the month.
- If your daughter is still enrolled by the first of the month, you will be charged in full for that month, no matter her attendance.
- If you register in the middle of the month, your tuition will be prorated based on how many classes are left in that month.
- If you need to cancel, make sure to notify us before the next month's tuition is charged, and no more monthly charges will be applied to your account. The student may continue attending classes until the end of that month. No refunds will be made on months already charged.
- Our class rate is \$25-40 based on the length and level of the class.
- If you are registering more than one family member, or for multiple classes, you will receive 10% off each additional child/class.

Cancellations/ Make ups/ Attendance

- If you are not able to attend a class (up to 2 times per season), you are welcome to attend another age/level-appropriate class of your choice as a make up. If the previous option was not possible, then upon request we can apply a credit towards the next month's payment.
- We will make every effort to provide Weather updates no less than 1 hour before class.
- We do our very best not to cancel classes. Weather cancellations do not qualify for a refund, but a makeup class will be scheduled *if possible*. If a makeup class cannot be scheduled then credit (for future months) will be provided.
- For cancellations due to unforeseen circumstances other than weather, if no makeup is scheduled, a refund for the class in lieu of a credit may be provided upon request.
- If a student has poor attendance or misses class(es) very close to the recital, it is up to the teacher's discretion whether or not that student will still be able to perform in the recital.
- If a class does not meet its required number of registrants, Monsey Dance Academy reserves the right to discontinue the class. A prorated refund will be issued to you.

Additional Policies

- Pictures and videos of the classroom which include any other person besides yourself/your own child are not permitted to be posted on any social media. This is for the safety, privacy, and sensitivities of our teachers and students.
- Any items left in the dance classroom or the area surrounding the classroom will be held on to for 30 days before they are considered *hefker*.

Terms And Conditions

- By participating in our dance classes, students and their legal guardians acknowledge and grant Monsey Dance Academy the right to use images and footage captured during classes, rehearsals, or events for promotional and advertising purposes, both online and offline.
